Subject: ESHS Adobe at home use for Year 8's to 12's during the COVID-19 period

Hi All,

All students and [teachers](#) at ESHS have been authorized to use Adobe at home. YOU can download and start using apps remotely today as long as you log in using your [current Adobe ID](#).

Any new users will [need to be added by us and will automatically have access to download at home](#). Every users Adobe ID is their School's email address.

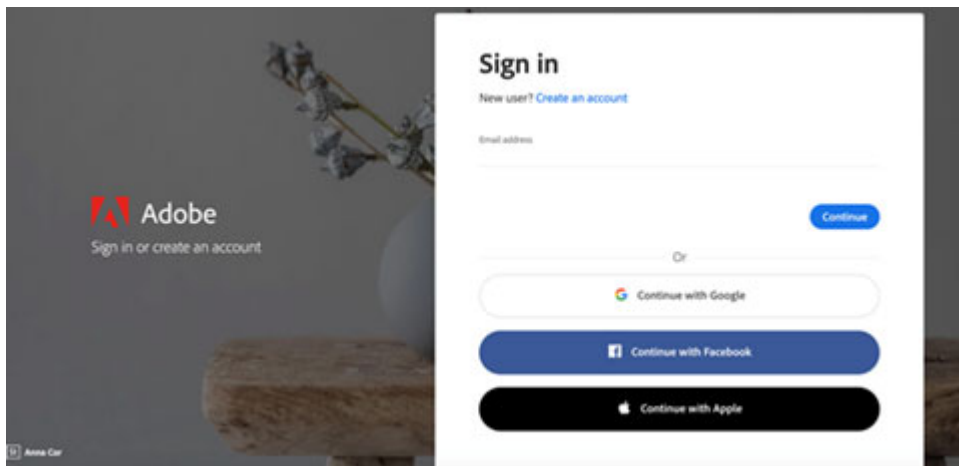

Please note, staff and students will not receive any communication from Adobe.

For more information, including known issue for Acrobat on Windows, please visit our [HelpX page](#).

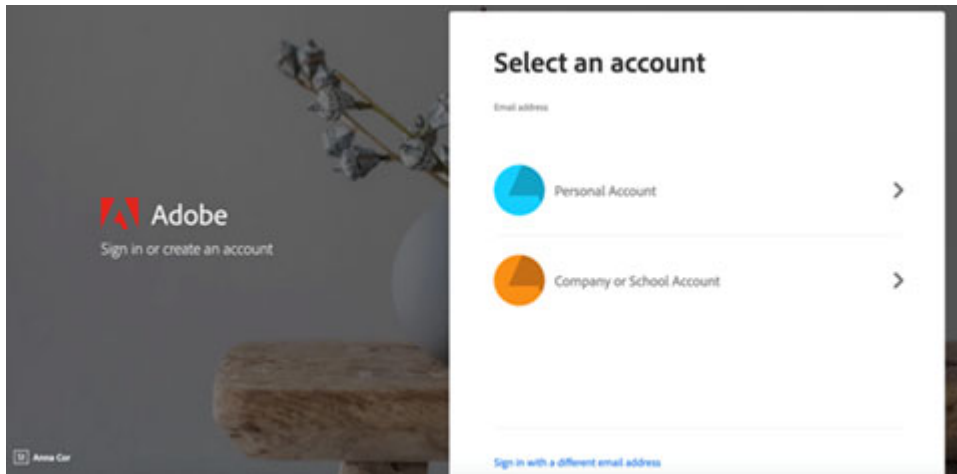

The below information is the procedure for logging on at home.

Please follow the instructions below to enable access to Creative Cloud Desktop Apps on your personal device at home.

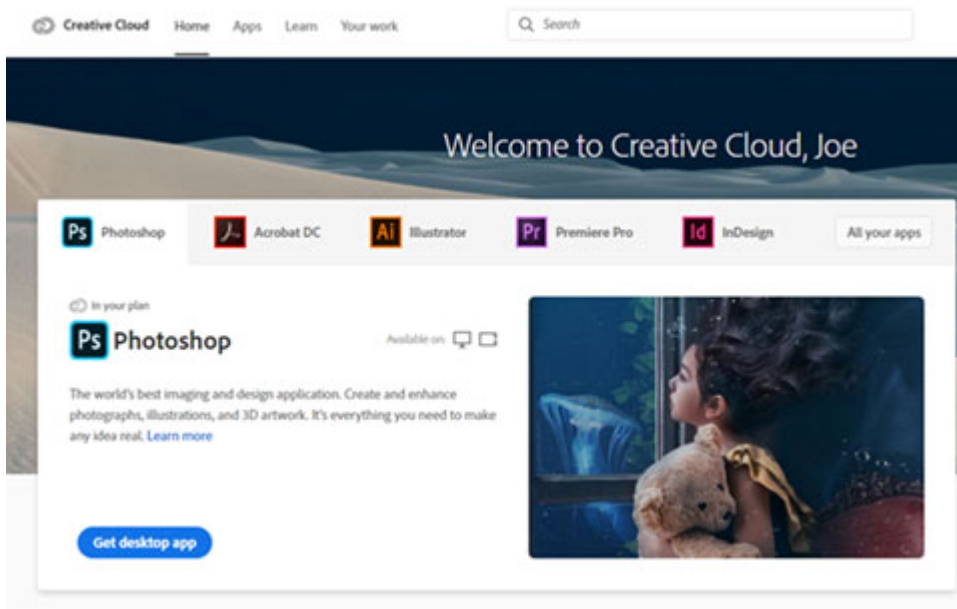

1. Visit <https://creativecloud.adobe.com> and use your school credentials to sign in.

2. If prompted, select Company or School Account and then enter your password. Or provide your credentials in your school's login screen.

3. From the Creative Cloud website, browse for and download your desired app. Click **Apps** on the top of the page to view all apps.

For more information on how to download or install apps, see [Download and Install Creative Cloud apps](#).

For teachers seeking to engage students during campus closures, Adobe has curated resources to help them discover inspiring projects, best practices, and new ideas so they can continue to drive valuable learning in virtual environments.

For more information on Adobe's distance learning resources [please click here](#).
