

# Creating

*I use what I know to come up with something new and unique*

**Create**

**Evaluate**

**Analyse**

**Apply**

**Understand**

**Remember**

*I demonstrate this by*

**Designing**

**Constructing**

**Planning**

**Producing**

**Inventing**

**Hypothesizing**

# Evaluating

*I make an informed judgement or decision on the value of something after reflecting, criticising and assessing*

**Create**

**Evaluate**

**Analyse**

**Apply**

**Understand**

**Remember**

*I demonstrate this by*

**Checking**

**Monitoring**

**Testing**

**Judging**

**Critiquing**

**Experimenting**

# Analysing

*I break information into parts so that I can explore the relationships and understand the information better*

**Create**

**Evaluate**

**Analyse**

**Apply**

**Understand**

**Remember**

*I demonstrate this by*

**Organising**

**Deconstructing**

**Differentiating**

**Finding**

**Integrating**

**Comparing and  
Contrasting**

# Applying

*I use the information that I am familiar with in a new situation.*

**Create**

**Evaluate**

**Analyse**

**Apply**

**Understand**

**Remember**

*I demonstrate this by*

**Carrying out**

**Using**

**Executing**

# Understanding

*I can explain ideas and concepts*

**Create**

**Evaluate**

**Analyse**

**Apply**

**Understand**

**Remember**

*I demonstrate this by*

**Interpreting**

**Classifying**

**Summarising**

**Inferring**

**Comparing**

**Explaining**

# Remembering

*I can explain ideas and concepts*

**Create**

**Evaluate**

**Analyse**

**Apply**

**Understand**

**Remember**

*I demonstrate this by*

**Recognising**

**Listing**

**Describing**

**Identifying**

**Retrieving**

**Naming**
