THIS WEEK'S NEWS – WEEK 2, TERM 2

ANZAC Day Competition - Here's your chance to win an Australian Royal Mint ANZAC 100 Years Commemorative Coin worth \$100 or a pin badge runner prize. Wander down to the library, pick up a competition sheet and search the ANZAC display for the 10 answers. All students with all 10 answers correct will be placed in a draw for the coin. Make sure you put your entries in the box by Friday 1st May. The winners will be announced in the ANZAC assembly on Tuesday 5th May. Thank you.

Humanities Department

MOPED AND CAR PERMISSION NOTICE - A large number of students have not registered their moped or vehicle with the front office. We have identified over 40 mopeds that do not have permission to be on school grounds. Students received a warning notice on Wednesday. Students must collect the registration form from the front office and return it completed to Mr Jefferies. Failure to comply with school policy will result in significant consequences.

YEAR 9 & 10 SPORTS EQUIPMENT - As of this Friday, some sports equipment will be available to use during Monday, Tuesday and Friday lunchtimes. The equipment can be signed out from the FRED room which is next to the chaplain's office. Student Council will be signing out equipment at the beginning of lunchtime and it must be returned to the FRED room at the end of lunch each day so that the equipment can continue to remain available throughout the year. Failure to return equipment will mean this privilege will be revoked.

Chaplain

LEAVING SCHOOL GROUNDS - Under no circumstances are students allowed to leave school grounds during school time. The only exceptions are if you have written permission from parents or an approved lunch or private study pass. Lunch and private study passes give students permission to go home. Students seen at the IGA store in town will have their passes revoked.

Mr Jefferies

YEAR 8/9 FOOTBALL - If you are interested playing football against EACS and Kalgoorlie teams later in the term, come to a meeting in the gym at recess.

Mr Landers

PHOTOGRAPHY Students from 2014 – You can collect your photos that were on exhibition in the D&T hallway. They have been removed and placed on the bench under the window in Room M2. See Mr Hackwell, Mr Peletier or Mr Wooldridge if you need assistance. Some photos are still on exhibit and may ALSO be taken by their owners.

NEW BIKE RACKS – ESHS has significantly increased its **BIKE RACK** capacity and so many more students can ride and safely store their bikes at school. These were created by three of our **VET Metals and Engineering** students. Thank you very much to those students.

Mr Hackwell

GIRLS SOCCER COUNTRY WEEK - We have a training session on Friday morning at 7am. Please be there, ready to go.
