TERM 4 WEEK 2 2019

WELCOME TO TERM 4
Welcome to the final term of the year. Another busy term lies ahead, particularly with final exams, final reports and farewell presentations on the horizon.

Meanwhile, students have another term to achieve their personal goals and receive a positive semester 2 report. Please do not hesitate to contact the school on 9071 9555 if you need any assistance throughout the term to help improve your child’s progress. A good starting point of contact is your child’s Year Coordinator.

WELCOME TO NEW AND PRE-SERVICE TEACHING STAFF
Ken Duffy will be Acting Principal for Term 4 following Cathy Bamblett’s retirement at the end of Term 3. Paul Jefferies will be acting Deputy Principal in Ken Duffy’s position.

Welcome also to our new staff members who have joined the school this term: Debra Hayes (Mathematics) replacing Samantha Higgins who is on long service leave for term 4. Lani Carruthers who is doing her pre-service teaching in Science - she will be with us for 7 weeks.

VET AWARDS 2019 FOR OUTSTANDING ACHIEVEMENT
Congratulations to the four ESHS students who were selected by their teachers for the state-wide School Curriculum and Standard Authority VET awards. These students have proceeded to the next stage and were interviewed last week by a panel of experts via a digital platform. We wish them the best in their interviews and eagerly await the results.

A huge thank you to the VET staff, Greg Forster, Cynnamon Harper, Daniel Seinor, Keith Fitzpatrick and Molly Zanker for the support you have given to these students to enable them to achieve to this level of excellence.

**VET APPLICATIONS**
Year 10 students have been attending interviews for their chosen Vocational Educational Training field during weeks one and two of term four. They will find out later in the term as to the outcome of their interview. Students will attend a VET Readiness program in week seven to prepare them for upper school in 2020.

**PRIORITY MAINTENANCE PROGRAM**
The school has received $93,000 from the Government for phase one of maintenance to roofing and car parks. This is the first instalment of a total of $803,807. More information on the phase one priorities will be provided in the next newsletter.

**CURIOUS MINDS 2019/2020**
The Australian Mathematics Trust and Australian Science Innovations has invited Year 9 student Lisa Warne to participate in the 2019/2020 Curious Minds Program. Lisa will join 65 other secondary students from around Australia in an exciting learning program involving biology, Earth and environmental science, informatics, mathematics and physics. Hearing from prominent women in STEM, completing lab work and attending excursions through the program will enable Lisa to forge friendships with like-minded students nationally and provide a head start for her future studies in science and maths. Congratulations Lisa.

**AUSTRALIAN MATHEMATICS COMPETITION**
Well done to the 27 students who participated in the 2019 Australian Mathematics Competition. Results were (certificates will be handed out this term):

Well done to the top of year groups Isobel Shelton (7), Toby Gerschwitz (8), Brechto Bezuidenhout (9), Vincent Newman (11) and Anna Smith (12).
YEAR 12 EXIT WEEK
Exit week was a huge success. Students really got into the spirit of the dress-up themes and lunch-time activities. The art students did a great job designing and painting the leavers’ board. Staff commend the students for minimising the distractions to their own and others’ learning while celebrating 12 years of education. The week ended with a breakfast at Pink Lake Golf Club, one of the last times the students will be together.

CLEARANCE FORMS
Year 12s need to complete their Clearance Forms and return them to the Front Office as soon as possible. Students will not receive their portfolios with their Statements of Results unless their Clearance Forms have been submitted. Year 12s must remember to clear their lockers as soon as they are finished with them and return their keys to the Front Office.

WACE EXAMS
The first ATAR WACE exam commences on Wednesday 30th October at the Seventh Day Adventist Hall where exams are normally held. Students must bring with them their Personalised Examination Timetable (exam slip) signed, or they will not be able to enter the exam hall. Students can download their Personalised Examination Timetable from the student portal at https://studentportal.scsa.wa.edu.au/. If students cannot print their exam slip, they need to ask for a copy from the Front Office staff. Students need to arrive at the hall 30 minutes before their exam starting time and upon entry, read the exam slip thoroughly to understand all of the conditions.

GRADUATION PRIZE NIGHT CEREMONY: Wednesday, 27th November
The Upper School Prize Night Ceremony will take place at the Civic Centre on Wednesday, 27th November. Students need to assemble in the Reception Room from 5:30pm for a 6:00pm start. Dress for the event is “smart”. We endeavour to complete the ceremony in two hours. It will be assumed that students WILL BE ATTENDING unless they specifically contact the Front Office to say that they WILL NOT be coming. This needs to be done before 9:00am on Tuesday, 26th November. This measure is specifically designed to avoid the embarrassment that occurs when a special guest attends to present a special award, but the student is absent. Students who do not attend will be able to collect their graduation portfolio etc, from the school’s Front Office after 1:00pm on Thursday, 28th November.

YEAR 12 SUPPER
The Prize Night Ceremony will be followed by an informal gathering for Year 12 students, parents and teachers in the Reception Room for supper. To attend this function, students will need to purchase tickets from the Front Office. The cost is $20 per person which includes soft drinks, finger food and specifically for students, a graduation signing book with a pen. Tickets can be purchased from the Front Office. The night will conclude at 10pm.
I would like to thank you for your support in getting your children through their secondary education. I have particularly enjoyed these last four years as their year coordinator and I wish the students all the best for their futures.

From Brett Landers - Year 12 Coordinator

**YEAR 12 COMPULSORY ATAR EXAMINATIONS**

Year 12 ATAR students are reminded that their external examinations, both written and practical, are compulsory. If an ATAR student does not sit the exam in a subject, they will not receive any credit for that course, nor will the subject appear on their Statement of Results that every Year 12 student receives.

This may also mean the students' Western Australian Certificate of Education (WACE) is in jeopardy for their secondary graduation, particularly if they are relying on the grade of that subject to contribute to the Year 12 C grade requirement for the WACE.

**YEAR 12 SICKNESS AND MISADVENTURE FORM FOR YEAR 12 ATAR FINAL EXAMS**

Year 12 ATAR students - and parents and carers - should be aware of the sickness and misadventure form that the School Curriculum and Standard's Authority (SCSA) requires if a student has missed an ATAR exam through sickness or misadventure (for example, if something unforeseen happens to prevent the student sitting or performing as expected at an exam on a particular day).

The Sickness and Misadventure form is available from the Deputy Principal, Paul Jefferies, and should be sent to SCSA as soon as possible after the event occurs that has impacted on an exam. All sickness forms are required to be signed by a Medical Practitioner. The claim form application will be considered by a SCSA committee for acceptance or rejection.

Hopefully, all will go smoothly for our students. It will help if students have an effective revision program, have a good sleeping regime prior to and during the exam weeks, have a protein-filled breakfast or lunch before sitting their exams, keep hydrated through drinking water in the exam, and successfully keep the nerves at bay by some strategies like mindfulness (e.g. slow, deep breathing) or positive thinking.

The ATAR results this year will be released by the Tertiary Institutions Services Centre (TISC) on 19th December, accessible by students from the TISC website.

**TOURNAMENT OF MINDS 2019**

Tournament of Minds or TOM, is a creative and critical thinking competition that includes schools from around a number of countries. ESHS has a rich tradition of competing in this highly esteemed event. This year with the help of two new facilitators, Sally Elliot (Language Literature) and Jo Bezuidenhout (STEM) and our experienced facilitators Cathy Bamblett and Jazmin Parker, we embarked on the six week challenge with gusto and enthusiasm to take us through the Regional competition in September.

Two weeks later and both the STEM and Language Literature teams were competing at the State final. Long hours incorporating weekend practice, humour and occasional moments of insanity, (including the Fortnite dance, the highly competitive fastest bowling, face masks and the ‘bag and tag it’ routine) saw both teams finish with Honours – second in the State - and the STEM team awarded the highly coveted Creativity Award for the highest Spontaneous Score in the regional competition round.

Tournament of Minds is not about the final score (although it is nice) it is about the journey to find a highly creative and critical solution to a problem. It fosters teamwork, creative thinking, problem solving, time management and the ability to have fun.

We thank our administration staff, the school, parents, businesses (particularly Southern Ports Authority, Shire of Esperance, and the Rotary Club of Esperance) and the community for enabling our rural students to showcase their talents. Thank you also to students who fundraised at the Rotary stall at the Esperance Show and the upcoming Quiz night.
If you think you have what it takes to join in Tournament of Minds, why not give it go? You never know, you could be part of ESHS Tournament of Mind tradition and compete at the International level, blazing a trail of creativity and critical problem solving (bag and tag solutions accepted!).

PERTH ROYAL AGRICULTURAL SHOW

At the end of last term and the first week of the school holidays, twelve students and six staff members, with nine cattle and 12 sheep, headed off to the Perth Royal Show so that the students could compete in a number of agricultural competitions.

Esperance Farm Training Centre completed another very successful Perth Royal Show with great results. The students were excellent and represented themselves and the school with aplomb.

The first competitions were Royal Agricultural Society Farm Skills in which students completed 14 events to showcase the varied skills of young farmers. These included wool classing, ram judging, drafting, steer appraisal, tractor driving, first aid, GPS and weed identification.

The rest of the show revolved around preparing the cattle and the sheep for showing. This meant lots of early starts and long days but our students handled this well and achieved some great results. Congratulations to Year 10 students Henco Maree and Jasmine Vincent, who were competing in their first show. Henco placed third for his age group. Congratulations also to our Australian Wool Innovation team of Jordan Forbes, Jade Challinger, Lily Daw and Taia Farnham-Offer for their excellent efforts.

A big thank you to Crystal Henderson, Vicky Hempell, Mick Harris and Chris Vibart who all put in extra hours to make the show such a successful event for our students. It is great to have staff who are willing to do extra so our students don't miss out on such amazing opportunities. A special thanks to Jan O'Connell who gave up her holidays and volunteered to support our students.

From Danny Pollard - Program Coordinator Agriculture

PRE LOVED UNIFORMS
Parents, carers or Year 12 Students: If you have any pre loved uniforms that are no longer required, especially the larger sizes, we can put them to good use. There is a box in the front office for you to drop them off. Thank you for your support.
*From Christine Blair - Chaplin*

NEXT P&C MEETING
The P&C meetings are conducted on the second Tuesday each month during school terms. The next P&C meeting is on Tuesday, 12th November in the staffroom at 7pm. The final P&C meeting for the year will be on Tuesday, 10th December.

MEASLES
This is a reminder for all parents, staff and students of Esperance Senior High School of the Health Department alert following the measles outbreak with 13 cases in March. That figure is now considerably higher with a further 26 cases reported between late September and mid-October.

Please read the information in the link [https://healthywa.wa.gov.au](https://healthywa.wa.gov.au). It will answer all your questions and concerns. If parents need to access immunisation history for their child, the following link will assist them [http://www.ncirs.org.au/public/immunisation-records](http://www.ncirs.org.au/public/immunisation-records)
*From Heather Campbell - School Nurse*

FIRST AID TRAINING
A special thanks to Nola George for her tremendous work in organising some very valuable and very cheap First Aid training for our year 11 and 12 students.
*From Ken Duffy - Acting Principal*

In 2019 due to the generous funding from Independence Group NL Organisation and St John Ambulance, first aid training at the Esperance Sub Centre were able to offer a FREE course (regular retail price $199 per person) to 150 year 11 high school students. It has been a great success and to date we have provided training to 94 year 11 students from ESHS.

The HLTAID005 Provide First Aid in Remote Situations course, also gives the qualification of the HLTAID003 Provide First Aid course that employees require. The course is mainly hands on, giving the students valuable lifesaving skills.

We have a further 40 places left to offer; dates available are:
Year 11 ATAR students: Monday 2nd and Wednesday 4th December
Year 12 Students: Tuesday 26th and Friday 29th November

Other dates for year 11 ATAR students or year 12 students:
Upon request we can do any other date, providing we have a minimum of 8 students for the course. Please contact us on 9071 1618 and we will assist you. We are offering this from December 5th 2019 until January 30th 2020 (offer ends).
*From Nola George - St John Ambulance: First Aid Training Facilitator Esperance*
Welcome back to all our wonderful Year 7 students for Term 4. I am looking forward to working with all of our students again this term. Term 4 tends to be very busy, with end-of-year activities and final assessments in many subjects.

Being Sun Smart
A reminder to all students about being mindful of the heat and sun as the weather warms up. Please ensure you are wearing your hat and sunscreen during the recess and lunch breaks, and drink plenty of water to hydrate yourself throughout the day.

Faction Points and Show Tickets
The top 21 Year 7 faction point leaders for Term 3 received tickets for the Esperance Agricultural Show. Congratulations to Sophie MacKenzie, Hayley Gallop, Brianna Barnes, Kaylee Allison, Kaci Bennett, Ashton Kerr, Tiffany Blakely, Amitae Morris, Matilda Hawke, Bree Boydell, Taj Tate, Isobel Shelton, Tammin Wana, Jayme Ammon, Eloise Willsher, Katie Goodwin, Jemma Towers, Chloe Seivwright, Ella Pariagh, Paige Byrne and Poppy Spencer.

Faction Competition
The Year 7 faction competition will continue to run every fortnight of Term 4. The winning faction of these competitions receives bonus points. In the middle of Term 4 we will reward the Year 7 faction that has the most points. Last term, Dempster was treated with an ice cream and table tennis during lunch.

Year 7 Faction point totals

DEMPSTER: 1391
FLINDERS: 1375
EYRE: 1214
ROSSITER: 1097

Above: Madison Hunt and Chelsea Ling get ready for their hockey class.
Above: Ollie Moeauri tries to hit a home run in Tee Ball.
**Mini Merit Draw**

Congratulations and well done to the Term 3, Week 10 mini merit draw winners: Rosie Stockdale, Rocco Tassone, Taj Tate, Tess Cruttenden, Isobel Shelton, Holly Paxton, Max Walker, Kaylee Allison and Mackenzie Keogh. Mini merits are awarded to students by teachers who work to the best of their ability, show improvement in work or behaviour and go above and beyond expectations.

**Taster Subjects**

Year 7 students have changed into their last taster subjects for Term 4. Hopefully experiencing a range of subjects will direct students down a career path that interests them. In later years, students will have more choice when selecting particular subjects. Students are welcome to speak with me about career paths and choices.

---

If you have any questions or concerns about your child, please don’t hesitate to get in touch by phone on 9071 9555 or by email at Brett.B.Landers@education.wa.edu.au.

Regards,

Brett Landers
Change in Year 8 Coordinator

I am Brett Landers and I have taken on the role of the Year 8 Coordinator from Samantha Higgins. The coordinator’s role is not new to me: I have assisted the Student Services team at Esperance Senior High School for over 10 years, mainly as a Year Coordinator. I am also currently the Year 12 and Year 7 Coordinator. I am still getting to know the Year 8 students individually and will be holding various activities and faction competitions to help build relationships with the students. I look forward to this role and encourage you to phone or send me an email if you would like to chat about your child’s education.

Faction Points and Show Tickets

The top 20 Year 8 faction point leaders for Term 3 received tickets for the Esperance Agricultural Show last week. Congratulations to Caleb Shipp, Zacyyah Smith, Toby Gerschwitz, Seraya Bain, Max Templeton, Curtis Mayfield, Darcy Lay, Dustin Greasley, Riley Litherland, Jessica Suttar, Arabella Tate, Torin Pechar, Fraser Gairen, Tailah Bain, Brendon Butcher, Zaviya Mohelika, Dylan Watkins, Mattie Brown, Aston Glew and Gillian Jackson.

Year 8 Faction point totals:

DEMPSTER: 1238  
EYRE: 1123  
FLINDERS: 1021  
ROSSITER: 885

Mathematician of the Week

Well done to the joint winners of the Year 8 Mathematicians of the Week Award for Term 3: Thalia Thring and Bela Bayly (pictured below).

Mini Merit Draw

Congratulations to the Term 3, Week 7 mini merit draw winners: Shae Nesbitt, Tailah Bain, Jessica Suttar, Cassie Tate and Caleb Shipp and the Week 9 mini merit super draw winners: Olivia Pokela, Tailah Bain, Braidy Johnson, Fraser Gairen, Gracie-Ann Buckley, Ruby Davies-Mele, Jessica Suttar, Caleb Shipp and Shia Szymanski.
NAIDOC & R U OK? Activities
During Week 8 of Term 3, Esperance Senior High School celebrated NAIDOC week with an assembly and some whole school activities. On Thursday the 12th September, ESHS also acknowledged R U OK? Day where students were prompted to check-in with their friends and have a go at some fun activities to help promote positive mental health.

Right: Bela Bayly and Megan Stockdale enjoy the NAIDOC headband and pom-pom making.

Left: Cameron Waight and Jaya Schmidt show their skipping skills.

Right: Although Gillian Jackson, Chanel Tarasinski, Charlotte Miller, Shae Nesbitt and Ruby Davies-Mele were too late for the NAIDOC cupcake decorating, they were in time to eat the leftover icing.

Left: Demi Bow, Adriana Graham and Taya Close model the NAIDOC headbands.

Above: Cassie Tate, Crystal Shields and Alyssa Hall enjoy the handball game while checking in on each other.

Above: Dane Kuss makes sure that Torin Pechar and Koopa Walsh are in position for the capture the flag game.

Above: Tyson Graham and Logan Panizza have a go at the NAIDOC spear throwing competition.

If you have any questions or concerns about your child, please don’t hesitate to get in touch by phone on 9071 9555 or by email at Brett.B.Landers@education.wa.edu.au.

Regards,

Brett Landers
Year 8 Coordinator
Hello Parents and Guardians,

Welcome back! Term 4 is always a busy but fun term, especially as the days become warmer and sunnier. It has been good to hear some of the adventures that students and their families had over the holidays and everyone seems ready to finish the school year well.

**Girls Football**

ESHS sent 18 students from across Year 8, 9 and 10 to Kalgoorlie to compete against John Paul College and Kalgoorlie-Boulder Community High School in a girls football competition. They did a great job playing in taxing 35 degrees heat and windy conditions. The girls represented the school with pride and played some great football, winning their final match against Kalgoorlie-Boulder. Congratulations to Year 9 team members Bianca Hartley, Rani Hotker, Shelby Kennedy, Holly Kiel, and Cherry Rickerby; and the coaches Abby Leyendekkers and Sam Curnow. I look forward to next year’s competition being on home soil.
Curious Minds – Lisa Warne

As mentioned in the Principal's news, Lisa Warne has been selected for the Curious Minds program. Congratulations Lisa, this is a huge achievement and I look forward to hearing how the first camp goes later this year.

Faction Points

The Faction Points competition has been tight all year with a few lead changes. At the moment Dempster is in the overall lead (in all year groups); however, in the Year 9 Faction Points Table, Eyre leads, followed by Flinders, then Dempster and then Rossiter. We use Faction Points to select Merit Awards and Reward Day activities. Most recently 20 students won two-day passes to the Esperance Show.

If you have any concerns or issues regarding your child’s schooling, please contact me on 9071 9555 or by emailing Beau.Scanlon@education.wa.edu.au

Kind Regards,

Beau Scanlon

Year 9 Coordinator
